GINETICS JUICE

# Colors of fruit, for the health of the body.

Fresh juices pressed from whole produce — greens, citrus, roots, and weekly sets. Our skin, organs, and internal systems reflect how we eat. Genetics is here to help you do your part.

## Root & glow

Carrot, ginger, turmeric, and orange.

## Weekly fridge set

A labeled mix for the week.

### REVIEWS

## What people say.

Sample quotes until real testimonials and credentials are live.

“The green bottle actually tasted like cucumber and apple — not lawn clippings.”

Sample review

**“Having a set in the fridge made weekday mornings easier.”**

Sample review

**“Clear about allergies and storage. I knew what I was drinking.”**

Sample review
